

# Caniglo

A feeding oil, rich in fatty acids for a healthy, shiny coat.  
CANIGLO is a liquid feed supplement with Essential Fatty Acids  
Omega 3 and 6

## Description

CANIGLO is rich in the Essential Fatty Acids Omega 3 and 6. These cannot be made by the body and must be provided in the diet. An adequate intake of Essential Fatty Acids will help maintain a healthy, soft shiny coat and good skin condition. Your dog will feel good inside, and look great outside. CANIGLO is a feed material for dogs containing refined marine oils.
