

Itch Mix

A blend of herbs to nutritionally help horses maintain a smooth, shiny, healthy skin. Also, for horses that need to maintain a healthy respiratory system or might need seasonal help in maintaining healthy hooves.

Use this :

- to help to maintain a smooth healthy skin
- to help to maintain a healthy respiratory system
- to help to maintain healthy hooves in all seasons

Itch Mix contains:

Citrus aurantium

Citrus aurantium is a source of potent healing molecules called Citrus Bioflavonoids.

Brewer's Yeast

Brewer's yeast (*Saccharomyces cerevisiae*) is a yeast and is the source of various vitamins and minerals.

Rooibos

Flavonoids, such as Aspalathin (unique to Rooibos) and other components of Rooibos have been shown to have many health advantages.

Vitamin C

Vitamin C (Ascorbic acid) plays a role in the immune system of the horse.

Spirulina

Spirulina has recently been found to be effective in allergic reactions.

Minerals

Horses deficient in Magnesium, Zinc or Copper are susceptible to allergies

Vitamin E

Vitamin E is essential for healthy skin.

Echinacea

A very recent addition to the fight against allergies.

Analytical constituents:

Crude Protein	(%20-16)
Crude Fibre	(NLT %15)
Crude Ash	(NLT %10)
Crude Oils and Fats	(%11.6-9.5)
Moisture Content	(NMT %12)
Sodium	(%0.2)
Ash insoluble in HCl	(NLT %5)

Directions:

One scoop (15g), three times per day for ten days.

Thereafter reduce to the minimum amount possible for your horse.

Typically, this will be about half to one scoop (7.5 to 15g).

One 500g bag will last one month if feeding one scoop per day.

Please take care:

Not for use in pregnant or lactating mares.

This is a nutritional product and is not intended as a substitute for veterinary products or advice.

Discontinue immediately at any sign of an adverse reaction.
