

JOSICAT RICH IN BEEF IN SAUCE

Fine moist cat food with beef in a tasty sauce

Grain-free recipe

Sugar-free recipe

Available in: **28x85g; 85g**

Our JosiCat Rich in Beef in Sauce is the wet food for cats who like it tasty and fresh. The cat food with lots of sauce comes without any added grains or sugar. Their two-legged friends are happy too. We almost called for a can opener, but that wouldn't be quite right! Our tasty complete cat food comes in handy freshness pouches. These pouches make portioning and disposal even easier.

The succulent beef flavour is not the only highlight of this grain-free cat food. It also contains inulin to help support the healthy functioning of your tiger's intestines. And tomatoes are a natural source of antioxidants that help fight free radicals.

- Adult moist cat food with beef in sauce
- 88% meat and animal by-products in appetising pieces
- With prebiotic inulin
- With vitamin E to improve cell protection and vitamin D3 to support stable bone structure
- Tomatoes naturally provide valuable antioxidants
- No added sugar, cereals, soya, dairy products, colourings, flavourings or preservatives
- In a practical freshness pouch: handy for portioning and easy to dispose of

Feeding recommendation:

Weight	2-3kg	3-4kg	4-5kg	5-7kg
Feed amount/24 hrs	150-260g	195-315g	235-365g	275-460g

The recommended food quantities stated are per animal, per day. The amount of food should be reduced, for example if snacks are also provided. Make sure your pet has fresh water at all times. After opening, keep refrigerated at 2 to 6 °C and offer at room temperature within 24 hours.

Complete food for adult cats
