

JOSICAT WITH SALMON IN SAUCE

Fine moist cat food with salmon in a tasty sauce

Grain-free recipe

Sugar-free recipe

Available in: **28x85g; 85g**

Now it's getting maritime: our **JosiCat with Salmon in Sauce** has the delicious flavour of salmon and combines it with lots of sauce. It's hard for tigers to resist! The cat food contains no added grains or sugar. Instead, it contains spirulina, which can help support your cat's vitality.

Prebiotic inulin can also support your cat's gut health. And here's something for all of us two-legged friends: thanks to the handy freshness pouch, portioning is even easier. And the packaging is super easy to dispose of.

- Adult wet food with salmon in sauce for cats
- > 74% meat and animal by-products in appetising pieces
- With prebiotic inulin
- With vitamin E for improved cell protection
- Spirulina naturally provides valuable antioxidants
- No added sugar, cereals, soya, dairy products, colourings, flavourings or preservatives
- In a practical freshness pouch: handy for portioning and easy to dispose of

Feeding recommendation:

Weight	2-3kg	3-4kg	4-5kg	5-7kg
Feed amount/24 hrs	150-260g	195-315g	235-365g	275-460g

The recommended food quantities stated are per animal, per day. The amount of food should be reduced, for example if snacks are also provided. Make sure your pet has fresh water at all times. After opening, keep refrigerated at 2 to 6 °C and offer at room temperature within 24 hours.

Complete food for adult cats
