

JOSIDOG MINI BEEF & LAMB IN SAUCE

Fine wet food with beef and lamb in a flavoursome sauce for small dog breeds

Prebiotic Inulin

Vitamin E + D3

Available in: **100g; 24x100g**

Mmmh, delicious - our new **JosiDog Mini Beef & Lamb in Sauce** is something very special for our small, adult four-legged friends. The wet food with beef and lamb comes in appetising chunks. Served with a tasty sauce. The dog food with inulin and vitamin E to improve cell protection and vitamin D3 to support stable bone structure could become your four-legged friend's new favourite food.

And there's a surprise in store for you: the delicious wet food comes in a practical 100 g fresh pack. Not only is it easy to dispose of, it is also super easy to handle, helps with portioning and keeps the food flavoursome for a long time.

- Adult wet food with beef and lamb in sauce for small dogs
- 84 % meat and animal by-products in appetising pieces
- With prebiotic inulin
- With vitamin E to improve cell protection and vitamin D3 to support stable bone structure
- No added soya, dairy products, colourings, flavourings or preservatives
- In a practical fresh pack: handy for portioning and easy to dispose of

Feeding recommendation:

Weight	5kg	10kg	20kg	35kg
Feed amount/24 hrs	345 - 400g	585 - 675g	980 - 1,125g	1,495g - 1,730g

Energy/kg = 916 kcal / 3.8 MJ

The recommended food quantities stated are per animal, per day.

The amount of food should be reduced, for example if snacks are also provided.

Please note that the specified quantities are only guidelines and should be adapted depending on your pet's feeding requirements and activity levels.

Make sure your pet has fresh water at all times. After opening, keep refrigerated at 2 to 6 °C

and offer the food at room temperature within 24 hours.

Complete food for adult dogs.
