

JOSIDOG MINI LAMB & VEGGIES IN SAUCE

Fine wet food with lamb and vitamin-rich vegetables in a flavoursome sauce for small dog breeds

Prebiotic Inulin

Vitamin E + D3

Available in: **100g; 24x100g**

Our little four-legged friends also want to enjoy JosiDog wet food - that's why there's **JosiDog Mini Lamb & Veggies in Sauce!** This delicious dog food with lamb, peas and carrots is packed with flavour in the bowl.

At the same time, it has a few extras in addition to a balanced recipe: Prebiotic inulin, vitamin E to improve cell protection and vitamin D3 to support stable bone structure. The fresh pack packaging is also handy, practical and easy to dispose of.

- Adult wet food with lamb and vegetables in sauce for small dogs
- 84 % meat and animal by-products in appetising pieces
- With prebiotic inulin
- With vitamin E to improve cell protection and vitamin D3 to support stable bone structure
- No added soya, milk products, colourings, flavourings or preservatives
- In a practical fresh pack: handy for easy portioning and easy to dispose of

Feeding recommendation:

Weight	5kg	10kg	20kg	35kg
Feed amount/24 hrs	345 - 400g	585 - 675g	980 - 1,125g	1,495g - 1,730g

Energy/kg = 916 kcal / 3.8 MJ

The recommended food quantities stated are per animal, per day. The amount of food should be reduced, for example if snacks are also provided.

Please note that the specified quantities are only guidelines and should be adapted

depending on your pet's feeding requirements and activity levels.

Make sure your pet has fresh water at all times. After opening, keep refrigerated at 2 to 6 °C

and offer the food at room temperature within 24 hours.

Complete food for adult dogs.

Composition: meat and animal derivatives (84.0 % in chunks*, including 20.0 % liver, 9.5 % lamb); cereals; oils and fats; vegetable protein extracts; derivatives of vegetable origin (inulin 0.40 %); minerals; vegetables (mix of dried peas and carrots 0.45 %, equivalent to 4.0 % fresh vegetable); caramel syrup
